Prof. Dr. Michèle Morner became Chairwoman of the Supervisory Board of Viscom AG

Hanover, 30 May 2018 – Today's Annual General Meeting has elected Prof. Dr. Michèle Morner and Volker Pape to the Supervisory Board of Viscom AG. At its constituent meeting, the Supervisory Board appointed Prof. Dr. Michèle Morner as Chairwoman of the Supervisory Board. Prof. Dr. Michèle Morner is a proven expert in business management, corporate governance and finance, who will accompany Viscom AG on its further growth path. Prof. Dr. Michèle Morner is holder of the Chair for Management, Personnel and Decision-Making in the Public Sector at the German University of Administrative Sciences Speyer. She is also a member of the Nomination Committee of the German Financial Reporting Enforcement Panel DPR e.V. in Berlin and a member of the Supervisory Board of KUKA AG in Augsburg.

About Viscom

Viscom AG develops, manufactures and sells high-quality inspection systems. The product range covers the complete range of optical inspection and X-ray inspection. The company is one of the world's leading providers in the field of component inspection for the electronics production. Viscom systems can be configured and interlinked with each other according to specific customer requirements. The company's headquarters and production site are in Hanover, Germany. With a wide network of branches, application centres, service support points and representatives, Viscom has an international presence. Founded in 1984, Viscom has been listed on the Frankfurt Stock Exchange (ISIN: DE0007846867) since 2006. For additional information, visit www.viscom.com.
